

Ethical Apparel Procurement Responsible Manufacturers Information Report

Report Period: Current as of July 31, 2016

Introduction

Ontario requires its apparel vendors to provide the names and addresses of the manufacturers they use to produce the apparel they supply. The government makes this information available to the public in the Responsible Manufacturers Information report. The report is completed based on information provided by vendors at the time of procurement which is not independently verified or updated to reflect changes, by Ontario. The report includes information for apparel contracts active between August 1, 2015 and July 31, 2016.
