

# Equipment and Technical Services for Event Staging

## Procurement Bulletin

Release Date: July, 2019

**T**he Ministry of Government and Consumer Services, Supply Chain Ontario (SCO), Ontario Shared Services (OSS), has established a Vendor of Record (VOR) arrangement for Equipment and Technical Services for Event Staging. This multi-vendor VOR arrangement provides a wide range of services including audio-visual, production, recording, technical support and staging for meetings and events.

The VOR arrangement became effective in June 2019, and the term is for two (2) years with the option to extend for an additional one (1) year. This VOR arrangement is optionally available to non-OPS clients including municipalities, academic institutions, school boards, health care providers and major transfer payment recipients.

## Benefits of this Arrangement

- Standardized service quality and pricing for event staging related to media events
- Access to vendors experienced in supporting government events of all sizes
- Access to the latest event-related technology and equipment
- Pre-determined rates for event personnel

## How to Access the VOR Arrangement

This is a mandatory-use, enterprise-wide VOR arrangement for all ministries covered by the Ontario Public Service (OPS) Procurement Directive.

# Equipment and Technical Services for Event Staging

---

For OPS ministries, this VOR arrangement and the user guide are available on MyOPS -> Business Services -> Procurement -> Vendors of Record (VOR) -> Listed by Name -> Equipment and Technical Services for Event Staging.

For Non-OPS entities, access is available through the [Doing Business with Ontario website](#).
