

Ethical Apparel Procurement Responsible Manufacturers Information Report

Current as of November 29, 2017

Introduction

The Government of Ontario requires its apparel vendors to provide the names and addresses of the manufacturers they use to produce the apparel that they supply. The government makes this information available to the public in the Responsible Manufacturers Information Report. The report is completed based on information provided by vendors at the time of procurement which is not independently verified or updated to reflect changes. This report includes information for apparel contracts that were active between August 1, 2016 and July 31, 2017.
