

# Ethical Apparel Procurement Responsible Manufacturers Information Report

**Report Period: As of July 31, 2015**

## Introduction

Ontario requires its apparel vendors to provide the names and addresses of the manufacturers they use to produce the apparel they supply. The government makes this information available to the public in the Responsible Manufacturers Information report. The report is completed based on information provided by vendors at the time of procurement and is not independently verified by Ontario or updated to reflect changes. The report includes manufacturer information on current apparel contracts.
